**Mid-week Bible Study** Due to rescheduling the luncheon date our Bible study will begin July 17<sup>th</sup> on the book of Romans.

**Ladies,** I am looking for volunteers to serve as session presenters at this year's retreat. Our retreat study is entitled Treasured and is based on Deuteronomy 14:2 "The Lord has chosen you to be a people for His treasured possession." You can read more about the study on the Concordia Publishing House website. You know the ladies in your society far better than I, so I'm asking for your help to identify anyone that might be interested in presenting a session, including yourselves! Please ask them first and then contact me with their contact information. I am optimistic, so I know this will be a sought after opportunity ... act quickly!!! We have other areas where we will need volunteers so if they don't get the opportunity to present we will certainly find another area where they can help.. There are only 4 sessions, and they are well scripted with accompanying slides and work sheets. The necessary materials will be forwarded to the volunteers once identified.

## **News& Notes (continued)**

Thank you,

Ann Larson, Bethlehem Lutheran Church, Johnson City
