OUR SAVIOR LUTHERAN

CHURCH HERALD

Pastor's Devo... So neither he who plants nor he who waters is anything, but only God who gives the growth. *1 Corinthians 3:7*

Growth...the goal of all things ought to be to GROW. This is especially true in the church...whether it's an increase in number, or just as important, and increase in faith, we need to grow. And we are seeing some here at OSLC. This Sunday, September 4th, were adding 2 new members to the church, as through the waters of Baptism, two souls will be added to the Church Militant, as Aiden and Grayson Fancher will be made God's...adopted by Him, sealed with His Holy Spirit and forever changed into something they weren't before. And then it will be up to the rest of us to see their faith grow, in keeping with The Great Commission of our Lord, Jesus...Baptize AND teach...so that their faith will grow.

We're also trying another approach to add growth to our church. We're inviting back a group of men known as The Emmaus Road Quartet. And in that very name there is a reminder of that road, the one where two men who had been made to know a bit about the Lord had their faith increased by a personal visit of the Lord on Easter evening, as they walked home, and suddenly found themselves joined by a third "traveler" who journeyed with them awhile, and finding themselves at the end of the trip, the two original travelers asked the third to join them for supper, and in that act of hospitality were made to realize just who that third traveler was...a fact which drove those other two to rush back from whence they had come to share with others what they had just experienced.

And this is just what we hope will result from our hosting this group of Gospel Singers. People will come, expecting to hear some good Gospel music, (which, if this performance is anything like the last time they were with us, will be GREAT), these listeners just might want to visit us on a Sunday, and allow us members of OSLC help them grow their faith, as they grow a deeper relationship to our God and Lord.

God-given growth...because He is the only one who can bring people into His family...the family of faith. Faith given through His Holy Spirit that makes it possible for us to believe...believe things that are unbelievable...like how can anybody love people like us...but He does, we have His word on this, but this too can only be understood with faith...faith that we've grown through doing the things we have...especially remaining close to the One who wants us to be with Him, because He wants to be with us, now and forever...Amen!
